Sonora, California USA

## PROFILE

---

I am an innovative illustrator with over 17 years of experience in the art field and specialize in digital painting. Prioritizing, balancing, and managing workloads with multiple deadlines is one of my strengths. I have my own distinct style; but can easily chameleon myself to fit any brand personality. I am comfortable working independently and collaboratively, and pride myself on being organized and accurate in my work.

## PROFESSIONAL EXPERIENCE

---

### Illustrator, Ursa Ink – 2020-Present

- Illustrating ideas from basic concepts to fully worked-out design solutions.
- Digital and traditional media: web graphics, full-page, spot, and book illustrations.
- Operating an e-commerce store that creates unique art prints and paper products.
- Designing graphics and developing illustrations for soft line products.
- Authoring and illustrating monthly story art subscriptions for customers worldwide.
- Illustrating 2D assets and game objects for game development.
- Designing UI icons for mobile app development.

Skills: Adobe Creative Suite: Photoshop, Illustrator, InDesign · Portrait and Figure Painting · Digital Painting · Product Design and Development · 2D Game Elements · UI Icon Designs
